

# It's a Man's World

Patricia Kaas

This is a man's world, this is a man's world  
But it wouldn't be nothing, nothing without a woman or a girl

man made the cars to take us over the road  
Man made the trains to carry heavy loads  
Man made electric light to take us out of the dark  
Man made a boat for the water just like Noah made the ark

This is a man's world,  
But it wouldn't be nothing, nothing without a woman or a girl

Man thinks about a little baby girls and a little baby boys  
Man makes them happy 'cause man makes them toys  
And after man has made everything, everything he can  
You know that man makes money to buy from other man

This is a man's world,  
But it wouldn't be nothing, nothing without a woman or a girl

This is a man's, man's world,  
But it wouldn't be nothing, nothing without a woman or a girl

He's lost in the world of man  
He's lost in bitterness

This is a man's, man's, man's world,  
But it wouldn't be nothing, nothing without a woman or a girl

This is a man's world,  
But it wouldn't be nothing, nothing without a woman or a girl

This is a man's world, this is a man's world,  
This is a man's world, a man's world,  
This is a man's world
