

Eject My Heart

Patrick Nuo

Come on over - let me stroke your hair
Try to look into your eyes -
But there's no one there
A scene of destruction - no sign of doubt
All I want is - just some way out

Cold things never catch fire
Help me out of this you beautiful liar
I don't regret the day we met
But eject my heart
Cold things never catch fire
Help me out of of this beautiful liar
I forgive you for all you haven't done
But eject my heart it's my only one

You say you must be goin'-
Standin' in the door
You didn't dare to need me-
You didn't talk anymore
I feel no affection in your last embrace
Seems love itself has left this place

Why should i cry
For love at anyonce

ooohh oh oh oh ooooh

yeah yeah yeah yeaaaah

Cold things never catch fire
Help me out of of this beautiful liar
I forgive you for all you haven't done
But eject my heart it's my only one
