

# Everyone's In Everyone

Patrick Park

We're blessed  
We are loveless  
We are cold and we are kind  
We are stressed  
We are so thankless  
We are deaf and we are blind  
We're pained and we're joyless  
And we're at a fork in the road  
We go to home to loving families  
And we are sleeping in the cold

As everyone's in everyone is in everyone is in everyone is in e  
veryone is in everyone is in everyone,  
As everyone's in everyone is in everyone is in everyone is in e  
veryone is in everyone is in everyone,

We're blessed  
We are restless  
We are dumb, we are wiles  
We are young  
We are old  
We see the world through tired eyes  
We're are lost and we are found  
And we're saved and depraved  
We are poor and rich  
And we assure that its  
Of love that we are made

As everyone's in everyone is in everyone is in everyone is in e  
veryone is in everyone is in everyone,  
As everyone's in everyone is in everyone is in everyone is in e  
veryone is in everyone is in everyone,  
As everyone's in everyone is in everyone is in everyone is in e  
veryone is in everyone is in everyone,  
As everyone's in everyone is in everyone is in everyone is in e  
veryone is in everyone is in everyone,  
As everyone's in everyone is in everyone is in everyone is in e  
veryone is in everyone is in everyone,  
As everyone's in everyone is in everyone is in everyone is in e  
veryone is in everyone is in everyone,  
As everyone's in everyone is in everyone is in everyone is in e
