

# Porcelain

Patrick Stump

I don't ever want to meet you  
'Coz you're like porcelain  
And I think it would crack  
If I found you were a brat  
Stay perfect  
Stay perfect

I don't ever want to meet you  
'Coz you're like porcelain  
And I think it would crack  
If I found you were a brat  
Stay perfect  
Stay perfect

Nothing as disappointing  
And I don't want to be disappointed  
I'm just some kid you'll think about maybe in passing  
But you're like my passion for real  
But distance is a lot less stress  
How you do what you do's still an uneducated guess  
And I bet you'll think I'm crazy  
But I think you're just a little bit amazing  
Maybe, maybe I want to be you baby  
No, I simply can't resist my imagination  
Now I'm amount of patience  
Validates my preoccupation  
Let me say this  
You look better famous, yeah

I don't ever want to meet you  
Because you're like porcelain  
And I think it would crack  
If I found you were a brat  
Stay perfect  
Stay perfect

Ahem  
Dear superhero, whom I look up to from afar  
Cause you're of a whole other galaxy  
I know you might find this shit so bizarre  
I rather we never had to meet, had to speak  
I think I know who you are in my imagination  
But not too sure about reality  
You're a superstar, with that glow one has to be  
But you come across brighter in a magazine  
Shine much more on a plasma screen  
If that don't wake me like a bad dream, bad dream  
Sad scene like Mufasa in that stampede  
Exactly why this calls for my evacuation  
Before this conversation paints the picture  
That my mind has painted  
Faded  
'Coz it can get complicated to recognize your idol's  
tainted  
Damn, is that a face lift?  
'Coz you look better famous

I don't ever want to meet you  
Because you're like porcelain  
And I think it would crack  
If I found you were a brat  
Stay perfect  
Stay perfect

I don't ever want to meet you  
Because you're like porcelain  
And I think it would crack  
If I found you were a brat  
Stay perfect  
Stay perfect

Have you ever met somebody who was perfect 'til you met  
them  
Woah, oh oh  
Have you ever met somebody who was perfect 'til you met  
them  
I have

I don't ever want to meet you  
Because you're like porcelain  
And I think it would crack  
If I found you were a brat  
Stay perfect  
Stay perfect

I don't ever want to meet you  
Because you're like porcelain

If I found you were a brat  
Stay perfect

Oh, oh  
Oh, oh  
Oh, oh  
Oh, oh  
Oh, oh
