

# Know That You Know

Patrick Watson

Is it such a bad thing  
That I just want to lay down for an hour  
Is it such a crime  
That I don't want to think about you know

'cause everything was getting cold outside  
I saw you standing there  
Remembered what I was doing here

And I know that you know  
So damn hard, hard to let you go  
And I know that you know  
So damn hard, hard to let you go go go go go go

Tell me what you're wishing for  
How about a little honesty now  
What would you say to the world  
If you only had one day

'cause it was getting a little cold outside  
I saw you standing there  
Why don't you come inside for a while

'cause I know that you know  
So damn hard, hard to let you go  
And I know that you know  
So damn hard, hard to let you go go go go go go

Oh is it such a bad thing  
That I don't want to change anything  
You want me to take the weight  
Off your shoulders for an hour

'cause it was getting a little cold outside  
I saw you standing there  
Why don't you come inside for a while

And I know that you know  
So damn hard, hard to let you go  
And I know that you know  
So damn hard, hard to let you go  
And I know that you know  
So damn hard, hard to let you go go go go go go

Hard to let you go go go go go go  
So hard to let you go  
So hard to let you go  
So hard to let it go  
So hard to let you go
