

# The Great Escape

Patrick Watson

Bad day, looking for a way  
Oh, looking for the great escape  
Gets in his car and drives away  
Far from all the things that we are  
Puts on a smile and breaths it in and breaths it out  
He says bye-bye, bye to all of the noise  
Oh he says bye-bye bye to all of the noise

Hey child, things are looking down,  
That's OK you don't need to win anyways  
Don't be afraid just eat up all the gray  
And it will fade away  
Don't let yourself fall down

Bad day, looking for the great escape  
He says bad day, looking for the great escape  
On a bad day, looking for the great escape  
Great escape
