

## Eulogy

Patrick Wolf

So long, my friend  
There must always be an end  
But all our love and life and song  
Carries on, I carry it on

Now the lightships are guiding you  
Over the sea  
And the lightships are sailing you  
Away from me

Over the edge of the world  
The edge of the world  
Over the edge

But I carry you on  
I carry you on  
And I carry on
