

# Tristan

Patrick Wolf

I am the tragedy.  
And the heroine.  
I am lost And I am rescuing.

The storm is come.  
And I am following.

My name is Tristan.  
And I am alive.

Forever young.  
I come from God knows where.  
'Cos now I'm here.  
Without a hope or care.

I am trouble.  
And I am troubled too.

My name is Tristan.  
And I am alive.

Sorrow by name.  
And sorrow by nature.  
Working for joy.  
On overtime.

Stuck on a line.  
Of misadventure.  
I fear no crime.

I am the victim.  
And the murderer.  
You speak of love.  
But I've never heard of her.

I am fucked.  
And I am fucking too.

My name is Tristan.  
And I am alive.

Sorrow by name  
And sorrow by nature.  
Working for joy.  
On overtime.

Stuck on a line.  
Of misadventure.  
I fear no crime.

My name is Tristan, and I'm alive. [x2]
