Tristan

Patrick Wolf

I am the tragedy. And the heroine. I am lost And I am rescuing. The storm is come. And I am following. My name is Tristan. And I am alive. Forever young. I come from God knows where. 'Cos now I'm here. Without a hope or care. I am trouble. And I am troubled too. My name is Tristan. And I am alive. Sorrow by name. And sorrow by nature. Working for joy. On overtime. Stuck on a line. Of misadventure. I fear no crime. I am the victim. And the murderer. You speak of love. But I've never heard of her. I am fucked. And I am fucking too. My name is Tristan. And I am alive. Sorrow by name And sorrow by nature. Working for joy. On overtime. Stuck on a line. Of misadventure. I fear no crime. My name is Tristan, and I'm alive. [x2]
