## **On An Evening In Roma**

## **Patrizio Buanne**

Como e' bella ce' la luna brille e' strette Strette como e' tutta bella a passeggiare Sotto il cielo di Roma Down each avenue or via, street or strata You can see 'em disappearin' two by two On an evenin' in Roma Do they take 'em for espresso, yeah, I guess so On each lover's arm a girl, I wish I knew On an evenin' in Roma Though there's grinin' and mandolinin' in sunny Italy The beginning has just begun When the sun goes down So please meet me in the plaza near your casa I am only one and one is much too few On an evenin' in Roma Don't know what the country's comin' to But in Rome do as the Romans do Will you on an evenin' in Roma? Though there's grining and mandolining in sunny Italy The beginning has just begun When the sun goes down Como e' bella ce' la luna brille e' strette Strette como e' tutta bella a passeggiare Sotto il cielo di Roma Don't know what the country's comin' to But in Rome do as the Romans do Will you on an evenin' in Roma?
