

Baby Come To Me

Patti Austin

Thinkin' back in time
When love was only in my mind, I realize
Ain't no second chance
You've got to hold on to romance, don't let it slide

There's a special kind of magic in the air
When you find another heart that needs to share

Baby, come to me
Let me put my arms around you
This was meant to be
And I'm oh so glad I found you

Need you every day
Gotta have your love around me
Baby, always stay
'Cause I can't go back to livin' without you

Spendin' every dime to keep you talkin' on the line
That's how it was
And all those walks together out in any kind of weather
Just because

There's a brand new way of looking at your life
When you know that love is standing by your side

Baby, come to me
Let me put my arms around you
This was meant to be
And I'm oh so glad I found you

Need you every day
Gotta have your love around me
Baby, always stay
'Cause I can't go back to livin' without you

The nights can be cold
There's a chill to every evenin' when you're all alone
Don't talk anymore
'Cause you know that I'll be here to keep you warm
Oh, darling keep me warm

Baby, come to me (come to me)
Let me put my arms around you
This was meant to be
And I'm oh so glad I found you

Need you every day (every day)
Gotta have your love around me (I gotta have you)
Baby, always stay
'Cause I can't go back to livin' without you

Baby, come to me (let me put my arms around)
Let me put my arms around you
This was meant to be
And I'm oh so glad I found you

Need you every day
Gotta have your love around me (I gotta have you)
Baby, always stay (I want you to stay)
'Cause I can't go back to livin' without you
