

# Baby Come To Me

Patti Austin

Thinkin' back in time  
When love was only in my mind, I realize  
Ain't no second chance  
You've got to hold on to romance, don't let it slide

There's a special kind of magic in the air  
When you find another heart that needs to share

Baby, come to me  
Let me put my arms around you  
This was meant to be  
And I'm oh so glad I found you

Need you every day  
Gotta have your love around me  
Baby, always stay  
'Cause I can't go back to livin' without you

Spendin' every dime to keep you talkin' on the line  
That's how it was  
And all those walks together out in any kind of weather  
Just because

There's a brand new way of looking at your life  
When you know that love is standing by your side

Baby, come to me  
Let me put my arms around you  
This was meant to be  
And I'm oh so glad I found you

Need you every day  
Gotta have your love around me  
Baby, always stay  
'Cause I can't go back to livin' without you

The nights can be cold  
There's a chill to every evenin' when you're all alone  
Don't talk anymore  
'Cause you know that I'll be here to keep you warm  
Oh, darling keep me warm

Baby, come to me (come to me)  
Let me put my arms around you  
This was meant to be  
And I'm oh so glad I found you

Need you every day (every day)  
Gotta have your love around me (I gotta have you)  
Baby, always stay  
'Cause I can't go back to livin' without you

Baby, come to me (let me put my arms around)  
Let me put my arms around you  
This was meant to be  
And I'm oh so glad I found you

Need you every day  
Gotta have your love around me (I gotta have you)  
Baby, always stay (I want you to stay)  
'Cause I can't go back to livin' without you
