

Love Me Again

Patti Austin

I wanna say I love you
I wanna say I care
Even though you may not feel the same
I'm not afraid to wait
'Cause I know you'll change

Love ends and so love begins my friend
Love me again

If love were a road, I'd be walking
If you would steal the key, I'd be home
Open your heart and let me walk in
Open up your eyes and love me again

Love ends and so love begins my friend
Love me again, love me again
Love me again
