

Reach

Patti Austin

I was lost, filled with hesitation
Without a plan, no determination
Until we met, you were my salvation
And now I know

There's nothing I can't do in my life
As long as I have you in my life
You let me see the strength I have so deep inside
Now I believe, I know that I can

Reach, reach for a shining new tomorrow
Reach, reach for a better day, a better day
Reach, reach for something higher, something brighter
Reach for the love, reach for the love

And when I rise a brighter love is shining
And everyday I'm gonna keep on trying
And though the road is sometimes long and winding
Come walk with me

Every step of the way and my life
Is better every day, yes, my life
Is better for the deeper love you've shown to me
Now I believe, I know that I can

Reach, reach for a shining new tomorrow
Reach, reach for a better day, a better day, yeah
Reach, reach for something higher, something brighter
Reach for the love, reach for the love, reach out for the love

Reach
Reach out, reach out, reach out
Reach out, reach out, reach out
Reach out, reach out, yeah

Well, I know that my life
Is better every day, yes, my life
Is better for the deeper love you've shown to me
Now I believe, I know that I can

Reach, reach for a sunny new tomorrow
Reach, reach for a better day, a better day, yeah
Reach, reach for something higher, something brighter
Reach for the love, reach out for the love

Reach, reach, a brighter day tomorrow
Reach, reach gotta have better day, a better day, yeah
Reach, reach, need something higher and brighter
Reach for the love, reach for the love, yeah

Reach, reach, you were my salvation
Reach, reach, I have no determination
Reach, reach, I was filled with hesitation
Reach for the love

I want you to reach, reach
Reach, reach

Reach, reach
Reach for the love

I want you to reach, reach
Reach, reach
