

Got To Be Real

Patti LaBelle

What you think ah
What you feel now
What you know ah
To be real

What you think ah
(I think I love you, baby)
What you feel now
(I feel I need you, baby)
What you know ah
To be real

Ooh, your love's for real now
You know that your love is my love
My love is your love
Our love is here to stay

What you think ah
(I think I love you, baby)
What you feel now
(I feel I need you)
What you know ah
To be real

Ooh, your love's for real now
You know that your love is my love
And my love is your love
Our love is here to stay

What you think ah
(I think I love you, baby)
What you feel now
(I feel I need you)
What you know ah
To be real

What you think ah
(I think I love you)
What you feel now
(I feel I need you)
What you know ah
To be real

It's got to be real
To be real
It's got to be real
To be real

What you think ah
What you feel now
What you know ah
To be real

What you think ah
(Oh what you)
What you feel now
(Oh what you)

What you know ah
(Tell me what)
To be real

To be real
Got to be real
It's got to be real
To be real
It's got to be real
It's got to be real

To be real
It's got to be real
It's got to be real
To be real
It's got to be real
It's got to be real

To be real
Real, real, real, real
To be real
Real, real, real, real
