

# If You Love Me

Patti LaBelle

Should I catch a shooting star  
Shall I bring it where you are  
If you want me to, I will  
You can set me any task  
I'll do anything you ask  
If you only love me still.

If the sun shall come up from the sky  
If the sea shall suddenly run dry  
If you love me  
Really love me  
Let it happen  
I won't care.

If it seems that everything is lost  
I shall smile and never count the cost  
If you love me  
Really love me  
Let it happen  
Darling, I won't care

Should I catch a shooting star  
Shall I bring it where you are  
If you want me to, I will  
You can set me any task  
I'll do anything you ask  
If you ask me to  
If you only love me still.

When at last all life on earth is through  
I shall spend eternity with you  
If you love me  
Really love me  
Let it happen  
Darling I won't care  
Oh no no no no no, oh  
If you love me, really love me, yes  
Let, let it happen  
I won't care  
Oh no

If you love, love me  
Really love me  
Let it happen  
Let it happen  
I won't care  
I won't care.
