

# Love, Need And Want You

Patti LaBelle

I love you  
I love you honey I  
Love you I do  
More than you ever know  
It's for sure you can always count on my love for ever more  
I  
Need you  
I need you baby I  
Need you right now  
Say can you understand your my man  
And my one desire is keeping you satisfied

Baby when we  
When we're together say  
I'm alright and your alright it's like paradise  
I just want you to know how I feel  
How I feel

Oh I want you  
I want you sugar I  
Want you so bad  
I got a burning desire my soul's on fire  
Can't you see you are my everything

Baby when we  
When we're together say  
I'm alright and your alright it's like paradise  
I just want you to know how I feel  
How I feel

Oh I love you  
I love you honey I  
Love you I do  
More than you ever know  
It's for sure  
You can always count on my love for ever more

I love and need and want you baby  
I love and need and want you baby  
I love and need and want you baby  
Love and need and want you baby  
I love and need and want you baby  
Love and need and want you baby

You can count on me for ever more  
I love  
And I need  
And I want  
You  
I got this burning desire  
My soul's on fire  
You can't count on me for ever more  
I love  
Baby I need  
Baby I want  
Your love  
Oh I Love you

I need you  
You can always count on my love for ever more
