

My Love, Sweet Love

Patti LaBelle

My love, sweet love
With you nothing else matters
You're my heart, and my heart is yours
My love, sweet love
For me there's no one better
Cross my heart, I could not love you more

And I swear to you, there's no one more important
And I trust you with my life
So I pledge my heart to you

My love, sweet love
With you nothing else matters
You're my heart, and my heart is yours
My love, sweet love
For me there's no one better
Cross my heart, I could not love you more

Cause with you my world is filled with so much
Pleasure
When I'm blind, you are my eyes
So I pledge my trust to you

My love, sweet love
With you nothing else matters
You're my heart, and my heart is yours
My love, sweet love
For me there's no one better
Cross my heart, I could not love you more

And I swear to you, that I will always love you
And I trust you with my heart
So I pledge my world, I pledge my world, I pledge my
World to you

My love, sweet love
With you nothing else matters
You're my heart, and my heart is yours
My love, sweet love
For me there's no one better
Cross my heart, I could not love you more
