

Somewhere Over The Rainbow

Patti LaBelle

Somewhere over the rainbow
Way up high
There's a land that I've heard of
Once in a lullaby

Somewhere over the rainbow
Skies are blue
And the dreams that we dare to dream
Really do come true

Someday I'll wish upon a star
And wake up, where the clouds
Are far behind me, so far

Where troubles melt like lemon drops
Way up above chimney tops
That's where, that's where you'll find me

Somewhere over the rainbow
Way up high
If birds if birds fly over the rainbow
Then why, oh why can't I?

If birds fly over the rainbow
Why can't I?
