The sun contains rain,
They lable vitamin D.
If you like vitamin D,
It's quite alright with me.
But I am here to say,
That I like vitamin love.
But I can't get vitamin love,
with that doggone sun above.

I don't care if the sun don't shine, I'll get my lovin' in the evening time. When I'm with my baby. It's no fun with the sun around, but I get going when the sun goes down, and I meet my baby.

Thats when we kiss and kiss and kiss, and then we kiss some more.

Don't ask how many times we kiss, at a time like this, who keeps score?

So I don't care if the sun don't shine, I'll get my lovin' in the evening time. When I'm with my baby.
