

My First Formal Gown

Patti Page

My first formal gown
My first formal gown
I'm gonna wear it Saturday night

All the boys'll see me
Lookin' cool and dreamy
They'll say, Man that's dynamite
A-gonna be crazy

We'll rock the hall
When cute, jive and tall
Takes me to the ball
Saturday night

Give me?
I never will forget
My first, very first
Formal gown

Gonna be crazy
We'll rock the hall
When cute, sharp and tall
Takes me to the ball
Saturday night
