

# My First Formal Gown

Patti Page

My first formal gown  
My first formal gown  
I'm gonna wear it Saturday night

All the boys'll see me  
Lookin' cool and dreamy  
They'll say, Man that's dynamite  
A-gonna be crazy

We'll rock the hall  
When cute, jive and tall  
Takes me to the ball  
Saturday night

Give me?  
I never will forget  
My first, very first  
Formal gown

Gonna be crazy  
We'll rock the hall  
When cute, sharp and tall  
Takes me to the ball  
Saturday night
