

What A Dream

Patti Page

Woke up this morning and I looked around
So disappointed, I laid back down
Oh, what a dream, what a dream I had last night

Dreamed I held you in my arms
But I'm still waiting for that day to come
Oh, what a dream (what a dream) what a dream (what a dream) I had last night

Dreamed we were walking down the aisle
The organ was playing "Here Comes the Bride"
You looked out at me and you began to smile
When I looked around everybody began to cry

I opened my eyes, you weren't there
All of my happiness just disappeared
Oh, what a dream (what a dream) what a dream (what a dream) I had last night

I opened my eyes, you weren't there
All of my happiness just disappeared
Oh, what a dream (what a dream) what a dream (what a dream) I had last night

Oh, what a dream (oh, what a dream) what a dream (oh, what a dream) I had last night
