

You Don't Know Me

Patti Page

You give your hand to me then you say hello
And I can hardly speak my heart is beating so
And anyone can tell you, you think you know me well
But you don't know me

No you don't know the one who dreams of you at night
Who longs to kiss your lips and longs to hold you tight
To you I'm just a friend that's all I've ever been
But you don't know me

For I never knew the art of making love
Though my heart aches, it aches with love for you
Afraid and shy I let my chance go by
A chance you might love me too

You give your hand to me, then you say goodbye
I watch you walk away and all I do is cry
You'll never, never, know how much I love you so
No, you don't know me no, no
