Patti Smith

Easter Sunday, we were walking  
Easter Sunday, we were talking  
Isabel, my little one, take my hand

I am the gas in a womb of light, the evening star  
The ball of sight that leads that sheds the tears of Christ  
Dying and drying as I rise tonight

Isabella, we are rising  
Isabella, we are rising  
Isabella, we are rising  
Isabella, we are rising

Isabella, we are rising  
Isabella, we are rising  
Isabella, we are rising  
Isabella, we are rising

Isabella, we are rising  
Isabella, we are
