

Frederick

Patti Smith

Hi, hello, wake from thy sleep
God has given your soul to keep
All of the power that burns in the flame
Ignites the light in a single name

Frederick, name of care
Fast asleep in a room somewhere
Guardian angels line a bed
Shed their light on my sleepy head

I am a threshold yearning to sing
Down with the the dancers having one last fling
Here's to the moment when you said hello
Come on my spirit, are you ready? Let's go

Hi, hi, hey, hey
Maybe I will come back some day now
But tonight on the wings of a dove
Up above to the land of love

Now I lay me down to sleep
Pray the Lord, my soul to keep
Kiss to kiss, breath to breath
My soul surrenders astonished to death

Night of wonder for us to keep
Set our sails, channel out deep
After the rapture two hearts meet
Mine entwined in a single beat

Frederick, you're the one
As we journey from sun to sun
All the dreams I waited so long for
Fly tonight so long, so long

Bye, bye, hey, hey
Maybe we will come back some day now
But tonight on the wings of a dove
Up above to the land of love

Frederick, name of care
High above in sky that's clear
All the things I've been dreamin' of
Are expressed in this name of love

Bye, bye, hey, hey
Maybe we will come back some day now
But tonight on the wings of a dove
Up above
