## **Smells Like Teen Spirit**

Patti Smith

Load up on guns and bring your friends It's fun to lose and to pretend She's over bored and self assured Oh no, I know a dirty word Hello, hello, hello, hello, hello, hello, hello... With the lights out, it's less dangerous Here we are now, entertain us I feel stupid and contagious Here we are now, entertain us A mulatto An albino A mosquito My libido Yeah I'm worse at what I do best And for this gift I feel blessed Our little group has always been And always will until the end Hello, hello, hello, hello, hello, hello, hello... With the lights out, it's less dangerous Here we are now, entertain us I feel stupid and contagious Here we are now, entertain us A mulatto An albino A mosquito My Libido Yeah And I forget just why I taste Oh yeah, I guess it makes me smile I found it hard, it was hard to find Oh well, whatever, nevermind Hello, hello, hello, hello, hello, hello, hello... With the lights out, it's less dangerous Here we are now, entertain us I feel stupid and contagious Here we are now, entertain us A mulatto An albino A mosquito My libido A denial!
