

## Till Victory

Patti Smith

Raise the sky  
We got to fly over the land, over the sea  
Fate unwinds and if we die, souls arise  
God, do not seize me please till victory

Take arms, take aim, be without shame  
No one to bow to, to vow to, to blame  
Legions of light, virtuous flight ignite, excite

And you will see us coming  
V formation, through the sky  
Film survives, eyes cry  
On the hill, hear us call through a realm of sound

Oh, oh-oh, down and down  
Down and round, oh, down and round  
Round and round, oh, round and round

Rend the veil and we shall sail  
The nail, the grail, that's all behind thee  
In deed, in creed, the curve of our speed  
And we believe that we will

Raise the sky  
We got to fly over the land, over the sea  
Fate unwinds and if we die, souls arise  
God, do not seize me please till victory

Victory, till victory  
Victory, till victory  
Victory, till victory  
Victory, till victory

Victory, till victory  
Victory
