

Fragile

Patty Griffin

Alright I'll need you
Now you know the truth
Sorry for how I treat you
I don't know why
I do the things that I do

Calling from the waves
Remember me your drowning daughter
Wanted to be clean
And travel deep into the water

Hello I'll see you
I see the mist that rises and curls
Dreams full of good intentions
Growing inside me like a pearl

Underneath the waves
Sits your sweet and drowning daughter
Too strong for this world
And too fragile for the water
