

# Go Wherever You Wanna Go

Patty Griffin

You can go wherever you wanna go  
Go wherever you wanna go  
Fly up to the moon and say hello now  
You can go wherever you wanna go

You don't ever have to go to war no more  
Never have to go to war no more  
Wear them boots and swim that icy shore now  
You don't ever have to go to war no more

You can get up on some sunny day and run  
Run a hundred miles just for fun now  
Heartaches and yesterdays don't weigh a ton now  
You can get up on some sunny day and run

You don't ever have to pay the bills no more  
Break a sweat or walk a worried floor now  
Working like a dog ain't what you're for now  
You don't ever have to pay the bills no more

You can go wherever you wanna go  
You can go wherever you wanna go  
Go to where the time's wound all the way down  
Put a penny on the track and wait for train sounds  
Tell your mama you're coming back before the sun's down  
You can go wherever you wanna go
