

I Don't Ever Give Up

Patty Griffin

I'm no kid in a kid's game
I did what I did, I've got no one to blame
But I don't give up, no, I don't ever give up
It's all I've got, it's my claim to fame

I'm no fighter but I'm fighting
This whole world seems uninviting
But I don't give up, no, I don't ever give up
I fall down sometimes, sometimes I come back flying

Liars are lying, airplanes are flying
Love isn't here, love isn't here
But it's somewhere
Time to forget me, but something won't let me
Love isn't here, love isn't here
But it's somewhere

And I cleaned and I washed up
This dream I don't ever give up
I don't ever give up, I don't ever give up
No, I don't ever give up, no, I don't ever give up
No, I don't ever give up, I don't ever give up
