

## Rowing Song

Patty Griffin

As I row, row, row  
Going so slow, slow, slow  
Just down below me is the old sea  
Just down below me is the old sea  
Nobody knows, knows, knows  
So many things, things, so  
So out of range  
Sometimes so strange  
Sometimes so sweet  
Sometimes so lonely

The further I go  
More letters from home never arrive  
And I'm alone  
All of the way  
All of the way  
Alone and alive

You just have to go, go, go  
Where I don't know, know, know  
This is the thing  
Somebody told me  
A long time ago

The further I go  
More letters from home never arrive  
And I'm alone  
All of the way  
All of the way  
Alone and alive
