Take It Down

Patty Griffin

Take everything that we have Take it and burn it to the ground Some things were never meant to last

Take it down, down, down Take it down Take it down, down, down Take it down I'm still married to it all That ain't no place to hang around My love is 50 feet tall

I've grown accustomed to the way
You hurled us into space
I'll never make that trip

Tears all rusted on my face And I'm just an empty place Where your love used to fit

South carolina where are you We were once lost and now we're found The war is over, the battle's through
