

Unnecessary

Patty Griffin

Unnecessary, no longer extraordinary
no longer the height of fashion
or the subject of a passion
stretch pants, bee lines love and soverance trivialized
bouncing baby on her big thighs
suddenly she realizes
unnecessary, unnecessary, unnecessary, unnecessary
she's unnecessary, no longer extraordinary
no longer the height of fashion or the subject of a passion
sister, brother, it's so hard to fuck a mother
what is it we give each other
what is it we take away?
unnecessary, unnecessary, unnecessary unnecessary
unnecessary, no longer extraordinary
no longer the height of fashion
or the subject of a passion
