

## If You Don't Want Me

Patty Loveless

Never really felt like I belonged  
Just about that time, you came along  
Lead me to expect, your love and your respect  
But lately you don't let those feelin's show  
I don't really want somebody else  
But I won't be your prize upon a shelf  
I'd rather feel this emptiness  
Than be something you possess  
If you don't want me  
Let me go

Can't we both admit  
We made the most of it  
And we were wrong  
Don't you realize  
The best years of our lives  
Will soon be gone  
If you hold on

I know there must be more to life than this  
Neglected vows wrapped in a token kiss  
Lonely and ignored  
I can't take it anymore  
If you don't want me  
If you don't love me  
If you don't want me  
Let me go
