## Mr. Man in the Moon

## **Patty Loveless**

Mr. Man in the moon
Are you really blue
Are you shedding a tear
While you shine
If you feel like I do
Mr. Man in the moon
Then your heart must be
Broken like mine

Are you lonesome There's not a star in sight Well I'll be right here We're both up for the night

Mr. Man in the moon
Are you really blue
Are you shedding a tear
While you shine
If you feel like I do
Mr. Man in the moon
Then your heart must be
Broken like mine

To the whole world You show a smiling face I feel like the dark side That you hide away

Mr. Man in the moon
Are you really blue
Are you shedding a tear
While you shine
If you feel like I do
Mr. Man in the moon
Then your heart must be
Broken like mine
