

# Nobody Loves You Like I Do

Patty Loveless

Leave your heartaches just outside the door  
Lean your troubles up against my heart  
And anytime you need a friend  
To laugh or cry with you  
Remember, nobody loves you like I do

Sometimes things just don't go your way  
And sometimes rain clouds cover up the sky  
And someday you think that I've grown tired of you  
Remember, nobody loves you like I do

There's no one else in the whole wide world  
Could ever take the place of you  
And no one else in the whole wide world  
Could ever love you like I do

Don't be afraid of what the day may bring  
Yesterday don't matter anymore  
Just as long as you need me  
I'll be there for you  
Oh darlin, nobody loves you like I do

Just as long as you need me  
I'll be there for you  
Oh darlin, nobody loves you like I do
