

## Pretty Little Miss

Patty Loveless

Shady Grove, pretty little miss  
Shady Grove, my darlin'  
Shady Grove, pretty little miss  
Goin' back to Harlan

Well the boys all call me "Pretty Little Miss"  
It don't ever phase me  
But every time he call my name  
It nearly drives me crazy

Shady Grove, pretty little miss  
Shady Grove, my darlin'  
Shady Grove, pretty little miss  
Goin' back to Harlan

Mama says he's not my type  
He really loves another  
But he's gonna marry me  
When I turn twelve this summer

Shady Grove, pretty little miss  
Shady Grove, my darlin'  
Shady Grove, pretty little miss  
Goin' back to Harlan

Well, paint and powder, curled my hair  
The day he came a callin'  
He ran off with my older sis  
And I commenced to squallin'

Shady Grove, pretty little miss  
Shady Grove, my darlin'  
Shady Grove, pretty little miss  
Goin' back to Harlan

Oh spring has sprung, summer's gone  
Fall is quickly fadin'  
Guess I'll spend my winter months  
A sad and lonely maiden

Shady Grove, pretty little miss  
Shady Grove, my darlin'  
Shady Grove, pretty little miss  
Goin' back to Harlan
