

There Stands the Glass

Patty Loveless

There stands the glass
That will ease all my pain
That will settle my brain
It's my first one today

There stands the glass
That will hide all my tears
And that will drown all my fears
Brother, I'm on my way

I'm wondering where you are tonight
I'm wondering if you all right
I wonder if you think of me
In my misery

There stands the glass
I fill it up to the brim
Till my troubles grow dim
It's my first one today

I'm wondering where you are tonight
I'm wondering if you all right
I wonder if you think of me
In my misery

There stands the glass
I fill it up to the brim
Till my troubles grow dim
It's my first one today

There stands the glass
