

# Kissin' On the Phone

Paul Anka

Every night when I'm all alone  
All I do is call you on the phone  
It rings, ting a ling  
And this is what we do

Oh, well, we're kissing on the phone  
Ooh, ooh, kissing on the phone  
Ooh, ooh, when we're all alone  
All were doing is  
Kissing on the phone

Every kiss is a kiss of fire  
I'm so afraid that  
We're burning the wire  
Oh, gee, baby, what you do to me

When we're kissing on the phone  
Ooh, ooh, kissing on the phone  
Ooh, ooh, when we're all alone  
All were doing is  
Kissing on the phone

(Hear it, ting a ling)

Oh, well, we're kissing on the phone  
Ooh, ooh, kissing on the phone  
Ooh, ooh, when we're all alone  
All were doing, we're  
Kissing on the phone

(Oh gee, baby)

When we are kissing on the phone  
Ooh, ooh, kissing on the phone  
Ooh, ooh, when we're all alone  
All we're doing is  
Kissing on the phone

(Kissing on the phone)  
When were all alone  
(Kissing on the phone)  
When were all alone...
