

So It's Goodbye

Paul Anka

So it's goodbye
So should I cry
You pray a tear
Into my eyes
So now I say goodbye

I can you pray
This heart of mine
Put I love you
For such a time
Oh, oh oh
Now you hurt me so oh, oh

Why, tell me why
Why is my heart burning
Please, tell me please
Why is it did
That my heart is yerding

You can go
See it I care
Take your love
And you can share
Oh, oh oh
Now you hurt me so oh, oh

Why, tell me why
Why is my heart burning
Please, tell me please
Why is it did
That my heart is yerding

You can go
See it I care
Take your love
And you can share
Oh, oh oh
Now you hurt me so

Goodbye to you
My love
