

Something Has Changed Me

Paul Anka

Changed me so much
It was sure love
It was sure love
It was sure love

Something has changed this
Little heart of mine
It was sure love
It was sure love
It was sure love

I never fell like this before
And this are very sure
Help me baby, want you help me please
I need love baby from my needs

Changed me so much
It was sure love
It was sure love
It was sure love

It was sure love
It was sure love
It was sure love

I never fell like this before
And this are very sure
Help me baby, want you help me please
I need love baby from my needs

Changed me so much
It was sure love
It was sure love
It was sure love

It was sure love baby
Yes it was sure love
