

Think I'm In Love Again

Paul Anka

Here I go again, trippin on my own feet
Lately it seems I've been, being old foolish me.
Mumble when I try to talk, stumble when I try to walk
Like I'm in a state of shock when I'm with you.

Here I go again, looking just like a clown,
Everything I say is wrong whenever you're around.
Somehow I got kind of shy, I can't look you in the eye,
I come all apart inside when I'm with you.

Think I'm in love again, grinning that silly grin,
Look what a fool I've been, I think I'm in love again.
Lately I've lost my mind and I do it every time
Yes, I know all the signs, I think I'm in love.

I won't lie to you, I've been in love before
And I think that you're the one that I've been waiting for.
I've been around I'll admit, this time all the pieces fit
Something tells me this is it, when I'm with you.

Think I'm in love again, grinning that silly grin,
Look what a fool I've been, I think I'm in love again.
Lately I've lost my mind and I do it every time
Yes, I know all the signs, I think I'm in love.

If you'll only stay, you'll stay with me forever more,
Cause I know I'll never fall in love again.
If you'll only stay, you'll stay with me forever more,
'Cause I know I'll never fall in love again.

Think I'm in love again, grinning that silly grin,
Look what a fool I've been, I think I'm in love again.
Lately I've lost my mind and I do it every time
Yes, I know all the signs, I think I'm in love.

If you'll only stay, you'll stay with me forever more,
'Cause I know I'll never fall in love again.
If you'll only stay, you'll stay with me forever more,
'Cause I know I'll never fall in love again.

Know I'm in love.
I think I'm in love, know I'm in love,
I think I'm in love.
