

# This Is It

Paul Anka

This is it, here I stand,  
I'm the light of the world  
I'll feel grand.  
Got this love, I can feel  
And I know, yes for sure  
It is real.

And it seems as though I've seen your face one thousand times  
And you know that you've seen my face before.  
And you said that you don't want me to hang around  
When it turns, gonna do it ever more.

I never heard a single word about you,  
Falling in love wasn't my plan.  
I never thought that I would be your lover  
Come on, please do understand

This is it, here I stand,  
I'm the light of the world  
I'll feel grand.  
Got this love, I can feel  
And I know, yes for sure  
It is real.

And it seems as though I've seen your face one thousand times  
And you said you've seen my face before.  
And you tell me you don't want me here just hanging around  
But it's everything i've ever waited for.

I never heard a single word about you,  
Falling in love wasn't my plan.  
I never thought that I could be your lover,  
Come on dear, understand.

This is it, here I stand,  
I'm the light of the world  
I'll feel grand.  
This is it, I can feel  
And I know, yes for sure  
It is real.

And it seems as though I've seen your face one thousand times  
And you know that you've seen my face before.  
And you said that you don't want me to hang around  
But it turns I'm gonna do it ever more.

I never heard a single word about you,  
Falling in love wasn't my plan.  
I never thought that I would be your lover  
Come on dear please understand.  
I never heard a single word about you,  
Falling in love wasn't my plan.  
I never thought that I would be your lover  
Come on dear please understand.  
I never heard a single word about you  
Falling in love wasn't my plan.  
I never thought that I would be your lover

Come on dear, just understand.
