

Praise

Paul Baloché

There's a song creation's singing
And it sounds throughout the universe
It's our longing for You, Jesus
It's an anthem telling of Your worth

Praise, when the sun is rising
Praise, when the day is fading
Praise, when the stars are shining
O God, we wait, we wait on You

God, our hearts are yearning for You
Like the watchmen waiting for the dawn
And our eyes are turned towards You
For the day when You return
Until that day we'll sing

God, our hearts are yearning for You
Like the watchmen waiting for the dawn
And our eyes are turned towards You
For the day when You return
Until that day we'll sing
