

## Taste And See

Paul Baloché

Taste and see, the Lord is good  
Good to those who hunger after him  
Drink and be filled, from the living well  
And never thirst again

Jesus is the bread of life  
Broken and poured out for us  
And because of his great sacrifice  
We can know the father's love

Taste and see, the Lord is good  
Good to those who hunger after him  
Drink and be filled, from the living well  
And never thirst again

Taste and see, the Lord is good  
He's been good to me
