

Taste And See

Paul Baloche

Taste and see, the Lord is good
Good to those who hunger after him
Drink and be filled, from the living well
And never thirst again

Jesus is the bread of life
Broken and poured out for us
And because of his great sacrifice
We can know the father's love

Taste and see, the Lord is good
Good to those who hunger after him
Drink and be filled, from the living well
And never thirst again

Taste and see, the Lord is good
He's been good to me
