

The Same Love

Paul Baloche

You choose the humble and raise them high
You choose the weak and make them strong
You heal our brokenness inside
And give us life

The same love that set the captives free
The same love that opened eyes to see
Is calling us all by name
You are calling us all by name
The same God that spread the heavens wide
The same God that was crucified
Is calling us all by name
You are calling us all by name

You take the faithless one aside
And speak the words "You are mine"
You call the cynic and the proud
Come to me now

The same love that set the captives free
The same love that opened eyes to see
Is calling us all by name
You are calling us all by name
The same God that spread the heavens wide
The same God that was crucified
Is calling us all by name
You are calling us all by name

Oh oh...

You're calling You're calling
You're calling us to the cross
(4x)

The same love that set the captives free
The same love that opened eyes to see
Is calling us all by name
You are calling us all by name
The same God that spread the heavens wide
The same God that was crucified
Is calling us all by name
You are calling us all by name

You're calling You're calling
You're calling us to the cross
You're calling You're calling
You're calling us to the cross
