

Country Girl

Paul Brandt

She's been in 4-H since she was nine years old.
She wears overalls and has a heart of gold.
She likes ATV'S and trucks, and fishin holes,
but she's got a tender side.

She don't let nobody tell her what to do
She thinks Jimmy Thompson's smile is kinda cute
She loves her mom and dad and she love's Jesus too
Well some things you just can't hide

She's a wild rose, pretty as a picture
and hard to hold off to chase the chickens
She's a little tom-boy but ain't she beautiful
Look out world -
She Ain't afraid running round barefoot,
hair up in braids but man does she look good
A little tom-boy but ain't she beautiful
She's a Country Girl

Her mom and them just shake their heads
when she walks by
she can't help but turn the head of every guy
If daddy even thinks about that day he cries
but whatcha gonna do?

She's a wild rose, pretty as a picture
and hard to hold off to chase the chickens
She's a little tom-boy but ain't she beautiful
Look out world
She Ain't afraid running round barefoot,
hair up in braids but man does she look good
A little tom-boy but ain't she beautiful
She's a Country Girl

Then the day her daddy dreaded finally came
the church, the gown, that boy, the rings, the weddin cake She might be all
grown up, but nothin's really changed

'Cause she's a wild rose, pretty as a picture
Hard to hold off to chase her dreams
She's a little tom-boy, but ain't she beautiful
Look out world -
She ain't afraid to run round barefoot
Hair up in braids but man does she look good
A little tom-boy but ain't she beautiful
She's a country girl

Oh yeah

She's a country girl

She's a wild rose, pretty as a picture and
Hard to hold off to chase her dreams
She's a little tom-boy, but ain't she beautiful

She's a country girl

She ain't afraid to run 'round barefoot
Hair up in braids but man does she look good

Ain't she beautiful
Ain't she beautiful

She's, she's a country girl

Oh yes she is

Ohh

She's a country girl
She's a country girl
a country girl

She's a country girl
