Out Here On My Own

Paul Brandt

The high-wire act is done Safety net, don't need one Once you fall, it's freedom and a song I'm out here on my own

Out here on my own With the Lord to guide me And your prayers behind me, I feel strong I'm out here on my own

And as I dream of you beside me Love and faith still lead me through And every road I take reminds me I'm comin' home to you

Out here on my own If the spotlights dimmer And the crowds grow thinner And I'll be home for Dinner With my songs Instead of out here on my own I'm out here on my own
